A nominating committee has been established to interview prospective members. We are currently looking for new board members and we are in the process of accepting board interest forms from anyone interested in filling one of the following roles:

- Finance
- Marketing/PR
- Grant Writing
- Fundraising

Board members can be parents or individuals from the community; if you or someone you know might fit one of these roles please fill out an interest form. They are available at the studio or online under the forms section.

The nominating committee will be meeting the first week of May to review inquiries and set up interviews. Please have forms turned in by the end of April to be considered in this review process.
