Class Dances

Class dances should be underway in most classes. Miss Eryn's classes will begin learning their dances the week of February 9th.

Dancers will still be getting some class time with time at the end reserved for learning a portion of their dance.

If your dancer is unable to be in the performance because of a conflict with the weekend of our show, then please notify your instructor immediately so that the choreography can be adapted accordingly.

Costume Information

As mentioned in the January Newsletter, we will be ordering costumes for many of the classes. Dancers in some of the classes may be getting measured prior to ordering the costumes to assure a good fit.

There will be a Performance Fee of \$25 per family. Performance fees may be turned in at any time or made with your tuition payments. If you write a separate check for the costume fee please be sure to write "Performance Fee" in the memo of your check.

All Performance Fees must be received by March 5th.

Thank You for your Understanding

I would like to thank everyone for being so understanding of my time off from teaching in order to recover from having my baby. All my substitutes have worked hard in my absence and you have all been patient with my being away from the studio.

I am very anxious to get back and see all the dancers, as well as begin working on their dances with them.

Miss Eryn

 Performance Location: Bethany Lutheran College
 Dress Rehearsal: May 29, 2009

News, Notes, and Reminders..

- Nutcracker DVD's are in your boxes. There are extra copies if you would like to purchase additional copies. Just ask Jane or Miss Eryn if you are interested.
- Please try to stick to our dress code. Many dancers have been coming to class without their belts or with the incorrect tight color. Also, dancers in 2A or higher should always have their hair in a bun for class. We try hard to keep the studio warm for the dancers, so please no shirts over their leotards.
- Dress code is: Black leotard, Pink tights, Pink ballet slippers, Waist band.
