Registration is held at the studio in the lobby and office area. Be sure to read the following articles for more information about things going on this day!!

## Nutcracker Auditions—What You NEED to Know!

Nutcracker Auditions are Friday August 27th. Dancers 7 and older that have no pointe experience are asked to audition from 11:30-12:15am and dancers that have had pointe experience are asked to audition from 12:30-1:00pm. You will be asked to sign a performance agreement

that day. It is very important that you read all the details of this agreement before you sign it or audition. If you are unavailable for some of the mandatory dates then you will need to speak with the

instructor before auditioning to see if missing those dates is alright. There is a \$40 performance fee to participate in the 2010 production of The Nutcracker.

### Modern and Jazz—You Gotta Try These

Those of you that attended the spring concert were treated to some amazing pieces of choreography and dancing by our Modern and Jazz classes. These classes are available for dancers ages 8 and up! We have also made it affordable to take these classes by giving any dancer already enrolled in a ballet class a 20% discount on their Modern or Jazz class. The monthly cost for these classes is \$32-\$36 a month. If your dancer would like to enroll for Modern or Jazz please remember to do so on Registration Day!

## Registration Day—Need to Know

On registration day there are many forms to fill out and things to keep track of. Please plan on spending at least 20 minutes or more when you arrive to fill out all the information before you leave. It is also helpful for us if you can write separate checks for certain things. For example: Tuition and Registration Fee can be one check, attire

orders can be another check, and Nutcracker performance fee can be a third check.

Our registration form has changed slightly so be prepared to fill it out completely and thoroughly so that we have all your correct contact information.

Something VERY important for us

to receive is a current email address that you check frequently. We do our monthly billing and newsletters via email. We also send out class cancellations, should the weather be bad, via email. Having your updated email is very important.
