MBC SUMMER HOURS

The MBC office and studio will be closed the month of June. If you want to get information about summer classes please go to the website. We will keep it updated and current all summer. Forms are already available to register for classes, and summer schedules are also posted. To register for classes please print off these forms and mail them to the studio. We will be checking the PO Box frequently and creating class lists for the summer sessions. You can also attend the first day of class in July and register at that time, however, advanced registration is preferred so we have an idea of class size. If you have a question that can't be answered by visiting our website you can call the studio and leave a message. We will be checking them weekly and returning calls as necessary.
